October 1, 2019 to September 20, 2023

WHEN

WHERE

Monday, October 21, 2019 11:30am – 1:30pm	Koolau Clinic Conference Room #2
--	---

Over the next week, OPEIU Local 50/HNA's members will be voting to accept their Tentative National Agreement. You must vote in person during the designated times. HNA will have staff available to answer any questions prior to you voting.

We encourage you to vote at the same location where you work. However, you may vote at any location, but we must verify that a member did not vote at two locations. If you vote at a different location, your ballot is held in a confidential sealed envelope until all ballots are returned to be counted. We are in the process of reserving rooms at the various KP clinics.

The link below contains a summary of your Tentative National Agreement for your review. Printed versions of this document along with the actual signed tentative agreements will be available at the Ratification Vote.
